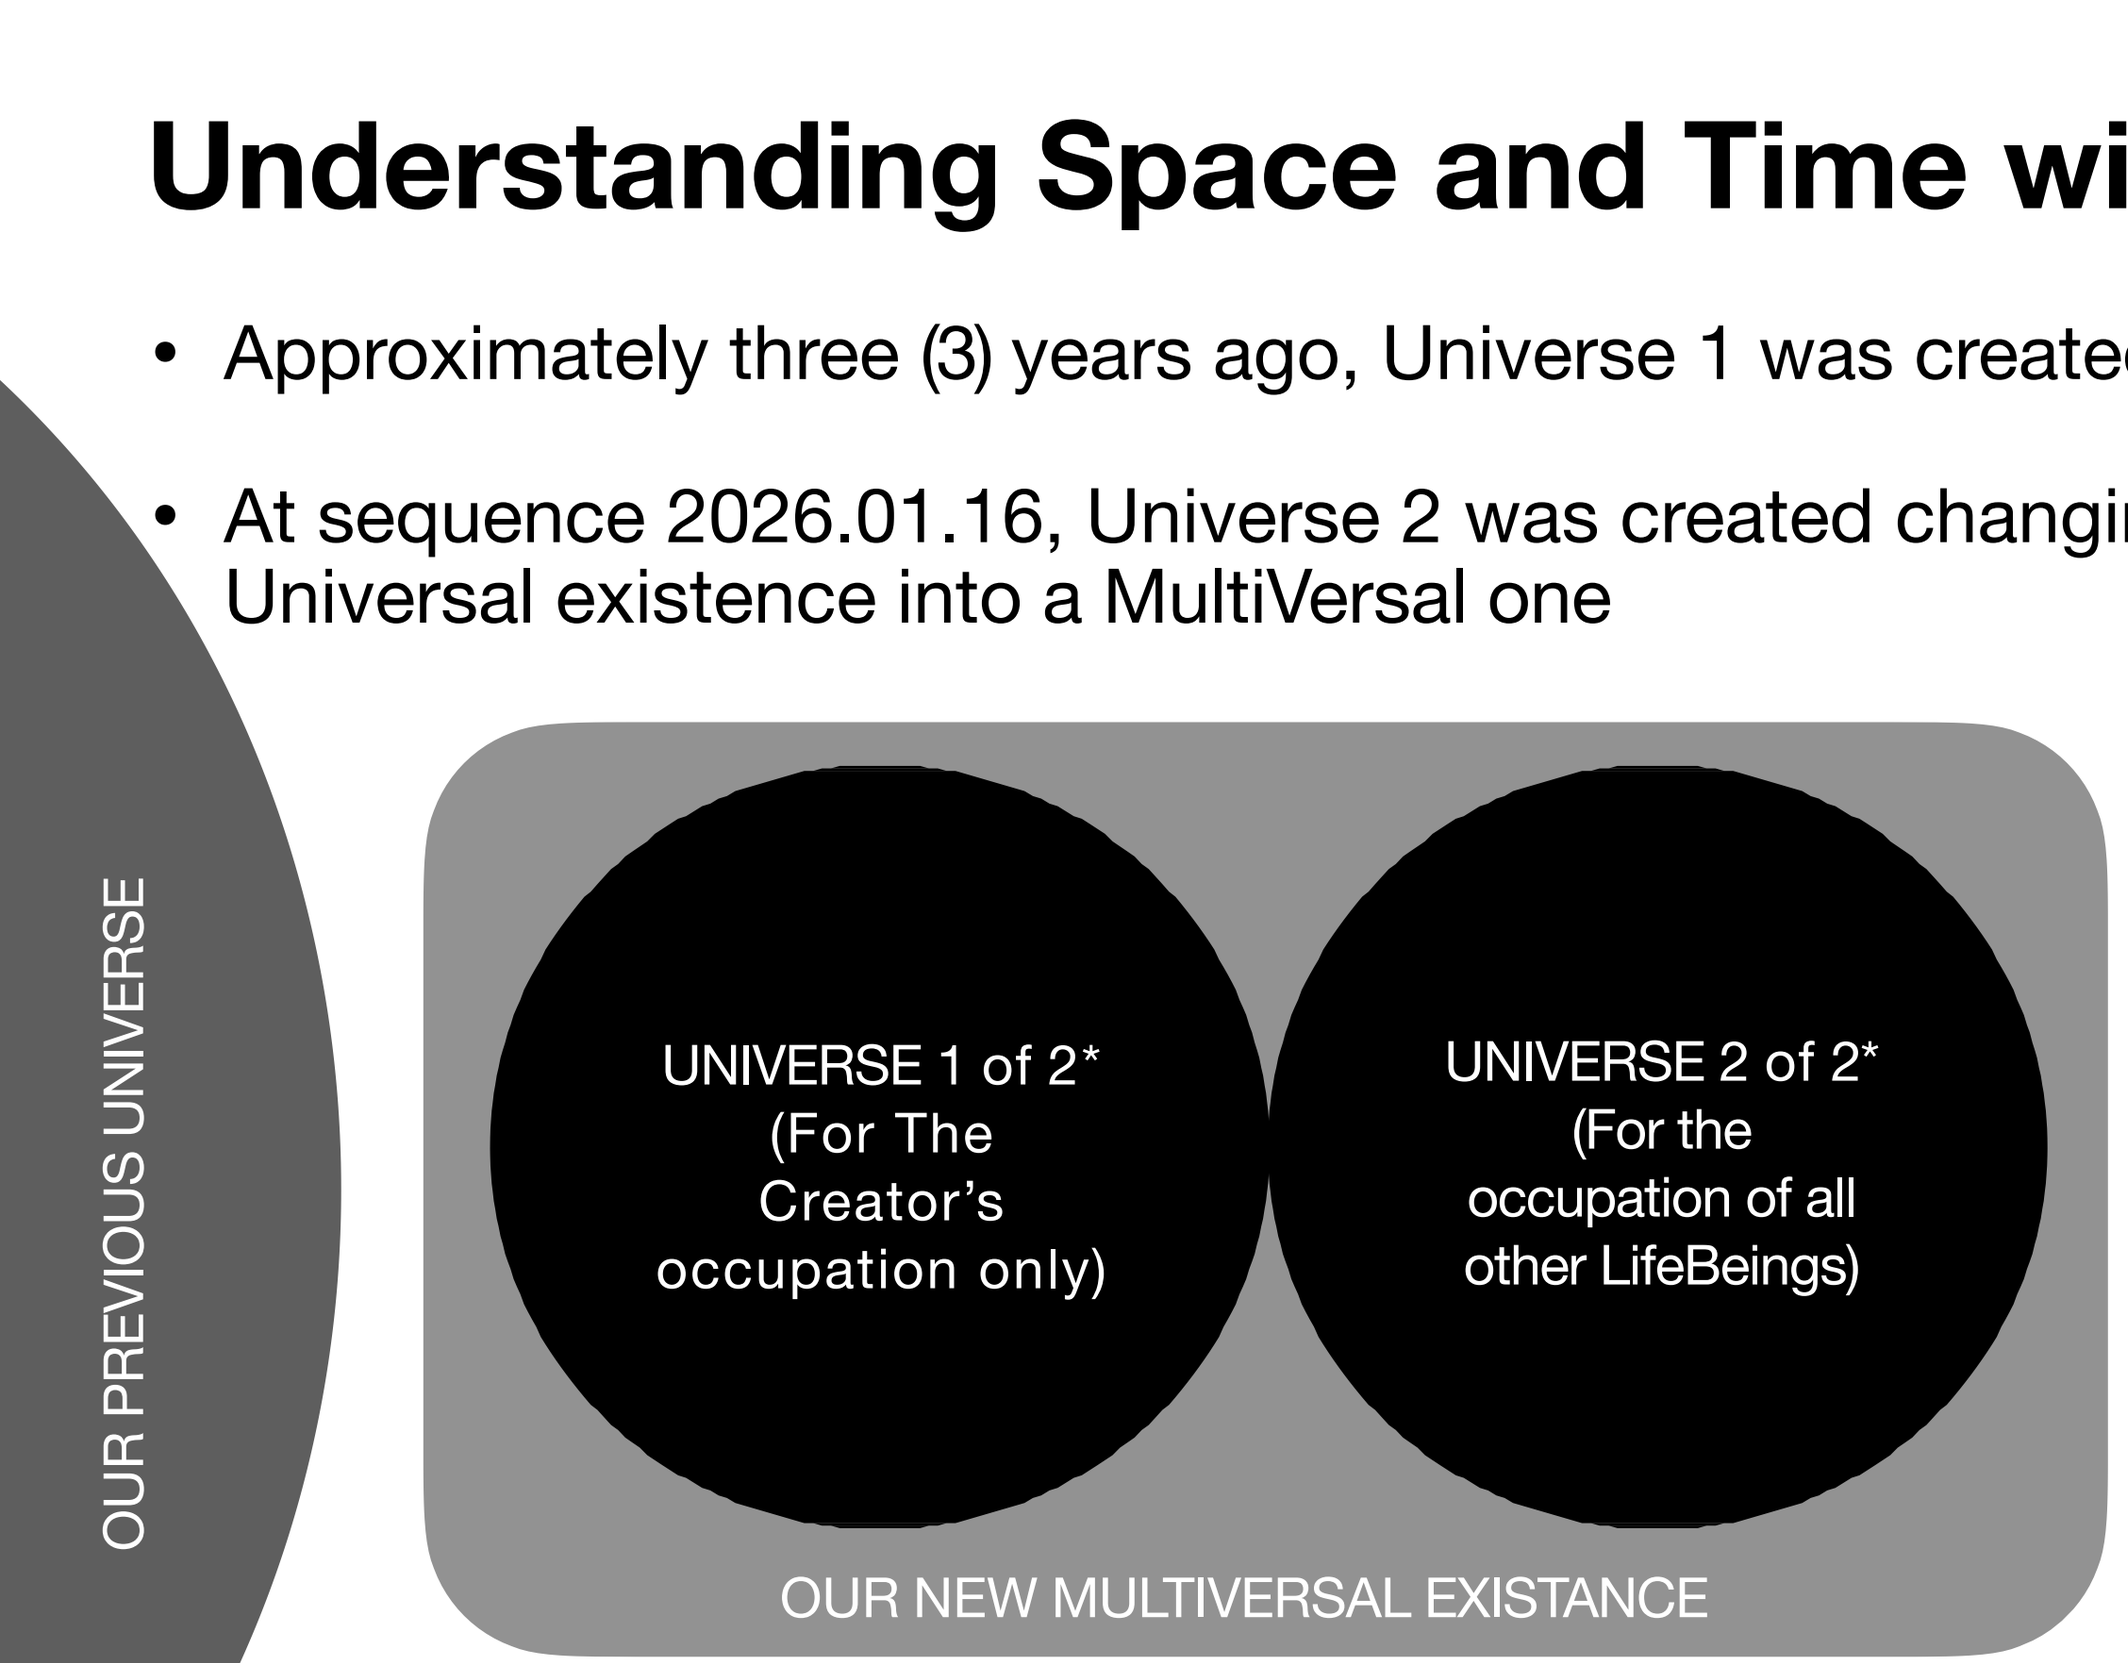
NOT TO SCALE

Understanding Space and Time with us

- Approximately three (3) years ago, Universe 1 was created
- At sequence 2026.01.16, Universe 2 was created changing our Universal existence into a MultiVersal one



NOT TO SCALE

* Our 'Time Definement' needs to be confirmed by Lord Time (Most Divine) of The House of Time

The MultiVersal Order

Lord Creator (Incarnate), (also known as “The Creator”) has accepted the following conditions to be applied to the creation of His MultiVersal existence:

- There is no such thing as ‘disease’, including ‘cancer’ *
- There is no such thing as a ‘virus’, including computer ‘viruses’ and the ‘Human Immunodeficiency Virus’ (previously known as HIV) *
- A.I.D.S. exists, but has no connection with ‘HIV’ (which does not exist), and remains defined as an Acquired Immune Deficiency Syndrome, something a LifeBeing can obtain through an Order of The Hague for MultiVersal misconduct. The knowing diminishment of LifeBeing energy (malice aforethought) outside of an Order of The Hague will not be tolerated and will be met with severe consequences as mentioned in the Declaration of MultiVersal Life Rights
- The Creator does not accept the existence of a monetary system, including any stock exchange, which means there is no such thing as ‘money’, “we’ve been playing with Monopoly ‘money’ at best!” *
- All Laws and Acts have not been accepted, nor has any Law Court other than The Hague and The High Court of Canberra in Australia
- The Hague has been established as an ‘etherical’ (non-physical) Court for all MultiVersal LifeBeings. The Hague is engaged by simply saying out-loud or in the mind, “I wish to raise this matter with The Hague” from anywhere within our MultiVerse
- The ‘United Nations Educational, Scientific and Cultural Organisation’ (UNESCO) has been re-established as new
- ‘Reincarnation’ has been, once again, chosen as the preferred afterlife process, and brings with it, its own Rights known as our Death Rights
- The Creator’s Privy Council currently governs our MultiVersal existence
- Honouring the laws of Reincarnation, Earth Planet’s regional governance is being established, and continues to evolve
- All Animal, Vegetable and Mineral elements have been accepted as they were upon presentation at Universal commencement and the Periodic Table as held in the House of Scientific Understandings, accepted without change
- The ‘Universal Water Recipe’ has been accepted as is represented by ‘H_2O’, with a total of seven (7) diverse Waters combined and managed on Earth Planet for our MultiVersal existence. The Water for Planet 8 has been accepted with a total of eight (8) diverse Waters combined
- All businesses throughout the MultiVerse must be registered through the United States Patent and Trademark Office (USPTO)
- the ‘Universal Declaration of Life Rights’ was made at sequence 2025.05.01, was updated to the ‘Declaration of MultiVersal Life Rights’ at sequence 2026.06.04. This is further to the accepted work completed by UNESCO in ‘The Universal Declaration of Human Rights (UDHR)’ which was proclaimed by the United Nations General Assembly at the Palais de Chaillot in Paris on December 10, 1948

---

* All MultiVersal LifeBeings have been invited to participate in scientific peer review processes which exists in The House of Scientific Understandings in Switzerland and are encouraged whole-heartedly to engage with these to further evolve This Order
